Sincerely,
The Staff of Kumsheen Rafting Resort

"Stayed three nights during a wedding. It was truly an unparalleled experience. Awe-inspiring. We stayed in a teepee. We went power rafting with the wedding party and it was unreal. Such a unique perspective seeing the Thompson! Cannot recommend enough. The staff was very friendly and accommodating. Lots of games on the grounds like disc golf, volleyball, horse shoes, and cornhole. The hot tub was huge and could accommodate lots of people. Was a great spot for a wedding, with gorgeous scenery and lots to do." - Bryn Weiner

Accommodation

We have a variety of accommodations on the resort to be able to accommodate every guest that joins for your wedding weekend.

Teepees:

Kumsheen has taken the personality of Anishinabe-style teepees and equipped them with modern luxury - solid floors, beds, linen, duvets and towels. A large rock, located in the center of the teepee, hold candles which warm up the teepee at night and cast a romantic glow inside. All of our Teepees have a double bed and two single beds, and are decorated in an "authentic" style with natural baskets and warm colors.

Canvas Cabins:

The most popular accommodation at the Resort is our Canvas Cabins. These are fully furnished with beds (covered in cozy duvets), antique furniture, decorated with historical memorabilia, and a propane lantern, which illuminates the interior with a warm glow after dark. Choose from options with two double beds, one double bed and three single beds or one King Bed.

Camping & RV Sites:

Lytton is known as one of the warmest and driest places in Canada, so it's the perfect climate for camping and RV-ing. All campsites are beautifully located with views of the canyon. For RV Sites, we have options for locations with or without electricity based off your guests needs.
